

Johannes S. Sistermanns

SA vertical SA : exhibition : performance :

This multi dimensional : exhibition : performance : is happening in the staircase and foyers of the Kaurna Building. Sounds will be transmitted via WaVers on resonating iron, glass and wooden surfaces, planes of cling film and the building itself. Johannes uses wireless connections - bluetooth, iPhone, iPad and flat WaVers and sings corresponding to the Indian note Sa.

With the generous support by JM Audio Design, Darmstadt/Germany
