## IELTS preparation program

Adelaide's IELTS test centre the Centre for English Language in the University of South Australia (CELUSA), offers the Essential IELTS program.

This program has been specifically designed to further develop your listening, speaking, reading and writing skills, in preparation for your IELTS examination.

Essential IELTS gives candidates an introduction to each IELTS sub-skill - reading, writing, listening, and speaking. Candidates become familiar with the format, timing and type of questions likely to be in the IELTS examination, as well as basic strategies for approaching the examination. This program includes test practice in each IELTS sub-skill.

Please note that the IELTS test is popular and places are limited. You may be required to book your IELTS test 8-12 weeks prior to your intended test date.
