IMPE 1st Year Students - Mid Year Intake 2010

Instructions

- The following table has set out Courses you are required to enrol into to complete your enrolment.
- First make sure you have selected the correct Study Period you need to enrol into.
- The Enrolment Class Number is the number you need to start your enrolment with.
- Most courses are set up with Auto enrolment classes which means you do not need to select them during the enrolment process and they will automatically appear on your final schedule.
- If you are not sure which class would best fit your schedule please go to the links for the course in the table below. These will get you to the course home page and you will then need to click onto the class timetable.
