Adobe "Work at Home" Acceptance

This acceptance form is valid for the Adobe software products checked on page one of this application form, which shall be referred to collectively herein as the "Software". Software is made available to you for installation on your home computer but only where you are the primary user of a UniSA owned "on campus" computer system (not shared use) that is licensed for the Software. **You are not licensed to use the Software at home for personal purposes.** You do not own the license or the CDs, rather you are authorized to use the Software and associated media pursuant to the terms and conditions of the licensing agreement during the license period. You will be required to remove the Software from your home machine immediately upon expiration of the licensed period or earlier if your employment by the University of South Australia ends.

Please state the UniSA asset number (blue plate number) of the UniSA owned "on campus" computer system that has a licensed installation of the Software.

Asset number:

Note: You will need to apply for an Adobe product licence separately if your UniSA owned "on campus" PC is not already licensed to use the Software.

Please initial each statement:

I have obtained a licence for the Software I am applying for on the first page of this application and that I am the primary user of the associated computer whose asset number is listed above.

I will read and abide by the licence agreement(s) associated with this Software.

I will remove the Software from my home machine immediately upon the earlier of (a) expiration of the license period (b) the end of my employment by the University of South Australia.

I understand that I am not licensed to use the Software for personal purposes.

I understand that I am not permitted to make copies of, loan or distribute Adobe media or licence codes.
