Experience. The Difference.

UniSA's Management program provides a foundation to compete successfully in our global economy

Fast track your management career with postgraduate study

There are a myriad of challenges facing managers today such as globalisation, technology, the changing nature of society, cultural issues and demographic issues just to name a few.

In order to survive and compete in an increasingly aggressive global business environment, it is vital that managers have command of leading edge knowledge, methods and tools. These can assist to build an organisation's ability to grow and develop in these challenging circumstances.

Why study at UniSA?

All UniSA programs are specifically designed in close consultation with our vast network of industry and professional partners. This allows us to tailor program structure and content to suit the changing needs of industry and the workplace, ensuring that your qualifications remain relevant, up-to-date and applicable.

UniSA's Management program is designed and developed in conjunction with the Government and industry to bring together modern management methods and technology.

The program prepares managers already

employed in organisations (or those who wish to pursue a management career) for the competitive challenges of managing in the global market place. The program is designed to include content that is relevant to industry while providing students with the opportunity to select courses that meet particular interests.

UniSA is committed to providing flexible study options that give you choice about when and where you choose to study. UniSA's Management program is designed for people who wish to study part-time or full-time. A range of courses are available through online delivery and on campus which gives you the freedom to balance your study requirements together with your work and your personal life.

The program

UniSA's Management program has been designed for those aspiring to positions as mid level managers all the way to CEOs. Students are generally already employed in business or organisations and will be looking to enhance career prospects or may be looking to make a career transition into a business or management related area.

The Division of Business is accredited by the European Quality Improvement System (EQUIS).
