DEFINITIONS:

Area + Catalogue Number

A 4-letter area code plus a 4-digit catalogue number make up the course code, e.g. **BIOL 1033**. You can search for courses using this code.

Class Number

Every class at UniSA has a unique number (e.g. **24813**). You use this number to enrol. Both the **enrolment class** and **related classes** have class numbers.

Enrolment Class

This can be a **lecture (LEC)**, **tutorial (TUT)**, **workshop (WSH)** or **practical (PRA)**, to name a few examples. It is the first class you must enter when you are enrolling.

Related Classes
(Non-Enrol Classes)

These are other required components of the course, and are in addition to the **enrolment class**. They can be one of the following class types - **lecture**, **tutorial**, **workshop** or **practical**, to name a few. In most cases you will have a choice (e.g. 1 tutorial to be chosen from 7). However, in some courses, once you select the **enrolment class** you are automatically enrolled (**auto-enrol**) in a related class (e.g. a particular tutorial or practical at a particular time).

NOTES:

- Students enrol in all courses for both study periods (Study Period 2 & 5) at the beginning of the year.
- The standard way of proceeding through the Graduate Diploma in Professional Practice is to undertake 2 courses from the professional practice core and 2 courses from the specialisation stream in your first study period and 2 courses from the professional practice core and 2 courses from the specialisation stream in your second study period. It is permissible to do 3 courses from one stream in your first study period and then 1

course from that stream in the second study period. You MUST however complete only 4 courses in total from your specialisation and 4 courses in total from the professional practice stream i.e. you are not allowed to study either 5 specialisation courses or 5 professional practice courses during your Graduate Diploma.

If you have any questions about possible credit for studies in this program please contact Brenton Dansie on 8302 3122.
