

PROGRAM NAME	MASTER OF WATER RESOURCES MANAGEMENT			PROGRAM CODE	LMWM
ACADEMIC PLAN	Postgraduate	YEAR LEVEL		CAMPUS	MAWSON LAKES
CAMPUS CENTRAL OFFICE	Campus Central Mawson Lakes Ground floor, A Building Please contact Campus Central if you need help with enrolling or have any queries about the information on this form	EMAIL	campuscentral.mawsonlakes@unisa.edu.au	PHONE	8302 3511
SCHOOL	School of Natural and Built Environments (NBE) (Please contact the School Office if you have any other queries)	EMAIL	nbeenquiries@unisa.edu.au	PHONE	8302 3000 Mawson Lakes

DEFINITIONS:Area + Catalogue Number

A 4-letter area code plus a 4-digit catalogue number make up the course code, e.g. **BIOL 1033**. You can search for courses using this code.

Class Number

Every class at UniSA has a unique number (e.g. **24813**). You use this number to enrol. Both the **enrolment class** and **related classes** have class numbers.

Enrolment Class

This can be a **lecture (LEC)**, **tutorial (TUT)**, **workshop (WSH)** or **practical (PRA)**, to name a few examples. It is the first class you must enter when you are enrolling.

Related Classes
(Non-Enrol Classes)

These are other required components of the course, and are in addition to the **enrolment class**. They can be one of the following class types - **lecture**, **tutorial**, **workshop** or **practical**, to name a few. In most cases you will have a choice (e.g. 1 tutorial to be chosen from 7). However, in some courses, once you select the **enrolment class** you are automatically enrolled (**auto-enrol**) in a related class (e.g. a particular tutorial or practical at a particular time).

Study Period	Area	Catalogue Number	Course	Enrolment Class	Notes
SP2	CIVE	5061	Global Water Systems 2 – Engineered Water Cycle	LEC or EXT	Available in on-campus or external mode
				LEC: 23327 EXT: 25020	
SP2	CIVE	5063	Water Resources Planning and Management	LEC or EXT	Available in on-campus or external mode
				LEC: 23181 EXT: 24977	
SP5	CIVE	5060	Global Water Systems 1 – Natural Water Cycle	LEC or EXT	Available in on-campus or external mode
				LEC: 51866 EXT: 54529	
SP5	CIVE	5062	Water Resources and Society	LEC or EXT	Available in on-campus or external mode
				LEC: 52741 EXT: 54360	

NOTES:

- To be eligible for the degree, students are required to complete a total of 54 units of study. Students are required to undertake the above core courses (18 units) and 18 units of coursework electives. Of the remaining 18 units of study, students can choose to do 18 more units of coursework electives, 9 units of coursework electives and minor project (9 units), research minor thesis – Project 1 and 2 (18 units) or the industry project (18 units) . For unit options and lists of electives please refer to the Master of Water Resources Management program page: <http://programs.unisa.edu.au/public/pcms/Program.aspx?pageid=402&sid=447&tid=473&y=2012>
- Students should enrol in all courses for both study periods (Study Period 2 & 5) when enrolments commence.
- Students who completed Hydrology and Water Resources Advanced Topics 1 (CIVE 5036) or Hydrology and Water Resources Advanced Topics 2 (CIVE 5037) successfully in 2010, **should NOT** undertake electives Climate Change and Adaptation Strategies in Water and Environmental Management (CIVE 5074) or Sustainable Irrigation Management (CIVE 5075). Course content will be similar.
