What to do in a Building Emergency Evacuation at Whyalla campus

If you hear a continuous alarm bell or tone or are requested by an Emergency Warden / Lecturer / Tutor / Security to evacuate the building you must:

- follow their instructions
- leave the building immediately by the nearest safest exit stairs – do not hesitate
- you are not allowed to use the lift, you must use the stairs and keep to the left
- proceed to the assembly point
- remain at the assembly point until advised the emergency is over
- not re-enter the building until advised it is safe to do so by the Emergency Evacuation Officer / Security. Do not try to re-enter just because the alarm has stopped.
