You are invited to a heart-warming and inspirational evening of music and hope.

Sound of Mumbai: A Musical

For one emotional night a group of children from the slums of Mumbai, India, get a chance to experience a different world as they perform *The Sound of Music* with a classical orchestra, fostering hopes that it could change their lives forever.

Those who attend will have the opportunity to meet other researchers and community members interested in the well-being of children, the role of arts in translating and transforming cultures, and in undertaking collaborative research projects that can make a difference.

This special event, co-hosted by UniSA's Healthy Kids and Human Rights & Security Clusters is the first in an annual calendar of activities aimed at exploring complex issues, appreciating different sector and disciplinary perspectives, fostering creative dialogue and generating collaborative projects.

This is an event not to be missed!
