Statement of Agreement

Section A - Welcome meeting & Research Induction Plan
- Clarifies the expectations and responsibilities of the Supervisor, Associate Supervisor and research degree student.
- Documents the results of one or more introductory meetings between the student and their supervisors.
- To be completed within two weeks of commencing candidature.

Section B - Statement of Agreement
- Highlights considerations that will be necessary for the development and achievement of the Research Degree Graduate Qualities.
- Forms the planning base from which all future Reviews of Progress proceed.
- Due after six months full time equivalence (FTE), attached to the research proposal.

Detailed research proposal
- Due after six months FTE.

Reviews of Progress
- Reviews of Progress document review and planning meetings between the student and their supervisors.
- Review and planning meetings occur at least twice per year.
- Each meeting reviews and builds upon the previous meeting.
- Twice per year a formal report of review and planning meetings, in the form of a Review of Progress Report, is forwarded to the Graduate Studies Office.
- Eligibility for continued enrolment relies on the submission of a satisfactory Review of Progress Report.
