Adelaide, Australia

think-tank
humans and complex
systems *the good, the bad, and the ugly*

humans and complex systems

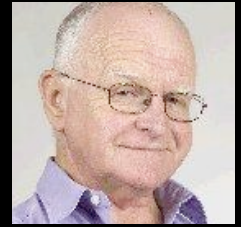

5-6 March 2009
Next Generation - Memorial Drive
Adelaide, Australia

Professor John Senders
Professor Emeritus of
Industrial Engineering at
the University of Toronto

Professor Enrico Coiera
Director - Centre for Health
Informatics at the University
of New South Wales

Professor Bill Runciman
Chair - Patient Safety and
Healthcare Human Factors
UniSA

Join us for an exploration of
human performance in complex
socio-technical systems.

This think-tank will showcase the
latest science and emerging ideas
in maximising performance whilst
effectively managing risk.

Led by a group of world-leading
researchers, this think-tank will
showcase the future of resilient
systems.

We look forward to seeing you in
Adelaide in March...
