Welcome New UniSA Program Directors

Associate Professor Brenton Dansie
Dean: Teaching and Learning, Division of Information Technology, Engineering and the Environment

3 March 2015
Welcome to the role of Program Director

Responsibilities:

1. Provision of academic leadership in relation to management of the program and promotion of a culture of scholarship and excellence in teaching and student-centred learning.

2. Oversight of student progress in academic programs.

3. Establish and maintain relationships with key stakeholders, including employers, industry, professional associations and accreditation bodies, graduates and alumni.
UniSA’s Teaching and Learning Approach at the program Level

Good Learning: outcomes for students that include

- big ideas that need to be understood deeply;
- discipline capabilities that need to be developed along with
- professional and personal capabilities
UniSA’s Teaching and Learning Approach at the Program Level

Good Teaching: learning and assessment activities that

• Encourage active engagement;
• Provide flexibility;
• Optimally use online and face to face approaches
• Align with, and build towards intended program outcomes
UniSA’s Teaching and Learning Approach at the Program Level

Good Management: providing

- A well designed coherent program
- Effective support for students, particularly those at risk, utilising available services (inc analytics)
- A proactive approach to improving student outcomes based on evidence and scholarship
