Our approach to learning and teaching

Associate Professor Shane Dawson
Director (Acting): Learning and Teaching Unit (LTU)
Crossing the Horizon

Action set 1: Enhanced educational offerings and an outstanding student experience

UniSA will design and deliver curriculum that is relevant and of high quality, delivering excellent outcomes for graduates in an educational environment that allows our students to make the most of their student experience.
Crossing the Horizon

• Digital Learning
  • Blended learning – flipped classroom
• Employability
  • Internships and placements
• Research-informed teaching
• Learning spaces/learning environment
